Welcome!
Welcome to NYU’s Stern School of Business from The Part Time Leadership Forum (PTLF)! You have begun an exciting and challenging adventure that will be one of the most rewarding experiences of your life.

Current PTLF board members have put this guide together to give you a student’s perspective on the important things you’ll need to know to navigate through our campus. **This is a guide for all Stern students**, Full-Time, Part-Time (Langone Program: Weeknights, Weekends and Westchester) and EMBA, to help you as you adjust to graduate school and life at Stern.

We’ve tried to design this guide to answer all the questions we had as new students and hope you can benefit from our experience and find the answers that you need. During your time at Stern please feel free to contact us directly to answer any other questions that may arise.

You can find lists of current student leaders, including FT SCorp and PTLF Board members, Club Presidents, Block Leaders and Core Group Leaders here: [http://www.stern.nyu.edu/portal-partners/student-activities/student-leadership/index.htm](http://www.stern.nyu.edu/portal-partners/student-activities/student-leadership/index.htm)

Seriously, don’t hesitate to contact us if there is anything we can do to help make the transition easier.

So read on and enjoy. We look forward to meeting you, and again, Welcome to Stern!

Student Leadership at Stern

Taking on a leadership role while at Stern will enhance your MBA experience; there is a lot of learning that takes place outside of the classroom.

The Full Time Stern Student Corporation (FT SCorp), The Part Time Leadership Forum (PTLF) Washington Square and Westchester and the Executive MBA (EMBA) student government share four goals:

1. Advocate student priorities for their respective student bodies
2. Enable students and student-led organizations to grow and prosper
3. Build and maintain Stern’s strong MBA FT, Langone (PT) and EMBA communities
4. Coordinate with the other Council of Leaders members to improve the entire NYU Stern community and organize school-wide activities

The Council of Leaders is comprised of the heads of each branch of the MBA student government at Stern. This includes FT SCorp, PTLF WSQ, PTLF Westchester, and the EMBA Program. The Council of Leaders meets with the Deans about various issues and serves as the united voice of the entire New York University Stern School of Business student population.

The Council of Leaders for 2012-2013:

FT SCorp President – Taffi Woodward  
FT SCorp Executive VP – Justin Lewis  
PTLF WSQ President – Marci Fenichel  
PTLF WSQ Executive VP – Mark Abrams  
PTLF Westchester President – Marcia Friedkin  
EMBA President – TBD  
EMBA Executive VP - TBD

Entering students are assigned into Block or Core Groups, led by Group Leaders who are elected in the first week of the semester. Their responsibilities include, but are not limited to, helping coordinate block/core activities including block/core games, setting up social and academic events, and keeping their fellow students apprised of important deadlines, events, and tasks for the semester. Block and Core Group Leaders are important initial points of contact for concerns and questions within a group. This is a great way to become involved, you should consider running for Block or Core Group Leader!

http://www.stern.nyu.edu/scorp  
http://nyustern.campusgroups.com/ptlf/home/
There are plenty of opportunities to get involved at Stern with 18 Professional Clubs, 12 Community Clubs and 9 Sports & Social Clubs.

Once you have completed orientation you will be able to join as many clubs as you wish. In fact, part of your orientation will be a club fair where you can meet representatives from each club to ask questions and put your name on their mailing lists.

Most clubs have membership and leadership from both the Full-Time and Part-Time communities.

MBA Club websites can be found at: http://www.stern.nyu.edu/mbaclubs

Additionally, Campus Groups is the main information hub for clubs and all new students are automatically enrolled in campus groups. From the campus groups website, students can join clubs, post discussions, find contact information for club officers, and view a calendar of events.

If you have any questions or difficulties using the campus groups website, please contact either the PTLF or FT SCorp VP of Technology or the Club Co-chairs. You may find the contact information of PTLF board members on the PTLF board website: http://nyustern.campusgroups.com/ptlf/board/ and contact information for FT SCorp board members can be found here on the FT SCorp board website: http://nyustern.campusgroups.com/scorp/executive-board/

You can also import club events into your google calendar. This can help ensure that you won’t miss an important club event. For more information, go to the following link and click on where it says “Calendar Export” https://nyustern.campusgroups.com/calendar

Clubs work regularly with the student activities office and there will be a number of events to look out for over the next year including conferences, summits and other speaker and networking events.

Whether you realize it or not, they are behind the scenes making sure that you are in the right courses and monitoring your progress all along the road to graduation. They want you to graduate on-time, having achieved all of your academic goals along the way. They know the program structure, policy, procedures and requirements that will enable you to graduate and can help you find answers to questions regarding your academic program and for achieving your academic goals while at Stern.

On the Academic Affairs web pages, you will find information for incoming new students, an outline of your MBA program, and a list of frequently asked questions. Curriculum, course sequencing and suggested programs of study along with the academic policies and procedures for such items as an independent study, specializations and Leaves of Absence are also found here. MBA Academic Affairs – International Programs manages the delivery of Stern’s global course offerings and international academic opportunities.

Semester Study Abroad, Short-Term Summer, and Doing Business in (DBi) courses are all run through MBA Academic Affairs; they literally provide a world of opportunity so take advantage!

**Stern Alumni**

*The NYU Stern global alumni network, 100,000 strong in more than 100 countries worldwide, is a powerful resource for MBA students.*

Students are actively encouraged to tap into the power of the alumni network through NYU SternConnect ([www.stern.nyu.edu/alumni](http://www.stern.nyu.edu/alumni)), Stern's exclusive online alumni community, which houses a comprehensive alumni directory, allowing you to search by location, industry, job function and more.

In addition, there are 3 other sources available for students to connect with the alumni community:

2. LinkedIn: [http://www.linkedin.com/groupInvitation?gid=35710&sharedKey=0707DC28C1FC](http://www.linkedin.com/groupInvitation?gid=35710&sharedKey=0707DC28C1FC)
3. Flickr: [http://www.flickr.com/photos/33445423@N08/](http://www.flickr.com/photos/33445423@N08/)

The Office of Development and Alumni Relations is another excellent resource for engaging alumni, as they can be helpful in identifying and securing alumni to serve as speakers or panelists for student-led events.

Finally, many of the MBA student clubs at NYU Stern maintain their own alumni relationships; some of these alumni can be accessed directly through Club Officers and the CampusGroups website. Students are encouraged to seek out clubs that serve their career interests, as membership events often include alumni networking events and mixers.

For more information on the NYU Stern global alumni community:

- visit the alumni website at [sternalumni.nyu.edu](http://sternalumni.nyu.edu)
- contact the Office of Development and Alumni Relations via phone at (212) 998-4040 or via email at alumni@stern.nyu.edu
- or feel free to stop by the Office of Development and Alumni Relations in person on the 10th floor of KMC.

Some Stern alumni (and their companies) you may have heard of:

**Alan Greenspan**  
*Former Chairman, Federal Reserve*

**Kenneth Langone**  
*Founder, Home Depot*

**Farooq Kathwari**  
*Chairman & CEO, Ethan Allen Interiors, Inc.*
Technology at Stern

Also be sure to check out the Stern IT checklist for new students at:
http://community.stern.nyu.edu/it/new-students.html

Technology Essentials

Your Net ID, “abc123”

Your Net ID is a three letter, three number unique identifier (i.e., abc123) that you will use frequently at Stern.

You can find your Net ID by checking the back of your NYU ID, or if you do not have an ID and have yet to activate your Net ID, go to the following website (https://start.nyu.edu/ibin/getnetid.cgi, you'll need your student ID number (which begins with “N” and should be on your welcome packet) and your birthdate.

Sternlinks

Sternlinks (http://sternlife.stern.nyu.edu/st/dashboard) is your one-stop-shop for links to all the important school systems such as:

- Blackboard (class management)
- CampusGroups (club communications and scheduling)
- AIS (Administrative management, tuition payment)
- Google Mail, Google Calendar (Email/Calendar)
- Google Docs, Google Sites (Collaboration)

Set SternLinks (http://sternlife.stern.nyu.edu/st/dashboard) as one of the favorites in your web browser, you’ll be using it plenty!

Email At Stern

You’ll receive TWO NYU email addresses:

1. Main Stern email (me123@stern.nyu.edu)
2. General NYU email (me123@nyu.edu)

Typically you’ll only use your Stern email on a daily basis, however on rare occasion announcements will be sent to your general NYU account. To make sure you don’t miss anything important, we recommend forwarding your general nyu.edu address to your school stern.nyu.edu address to consolidate your NYU emails in one convenient place.
Setting up nyu.edu forwarding:

1) Access [http://home.nyu.edu](http://home.nyu.edu)
2) Click “Preferences” in the top of the screen
3) Click “Edit” on the “Mail forwarding” options under “Your E-Mail” and enter the email address you wish to forward to (typically me123@stern.nyu.edu)

Note: Your home.nyu.edu account is associated with your general NYU ID and has a separate password from your Stern account. You may configure your general school password through start.nyu.edu.

Logging into your Stern email:

Log into SternLinks (see Tech Essentials section above), and click Gmail@Stern under the Single-Sign On to login to your Stern email.

As you’ll notice, Stern utilizes Gmail as its email system. Many of you are already familiar with how to utilize Gmail as your email system, but if you’re not, check out these training videos ([https://sites.google.com/a/stern.nyu.edu/google/training/gmail-videos](https://sites.google.com/a/stern.nyu.edu/google/training/gmail-videos))

What if I already have a gmail account?

If you are a Stern user with one or more personal, public Gmail accounts and mailboxes, those will stay completely separate from your Stern E-mail account and mailbox that is powered by Google.
Setting up your Stern email on your mobile device

To setup your Stern email on your mobile device, follow one of the following guides (based on your device manufacturer):

- **iPhone**: [https://sites.google.com/a/stern.nyu.edu/google/migration-guides/iphone-configuration](https://sites.google.com/a/stern.nyu.edu/google/migration-guides/iphone-configuration)
- **Blackberry**: [https://sites.google.com/a/stern.nyu.edu/google/migration-guides/configure-blackberry-without-gmail-app](https://sites.google.com/a/stern.nyu.edu/google/migration-guides/configure-blackberry-without-gmail-app)

Setting up your desktop email client (Outlook, Thunderbird, Mac Mail):

If you’d like to use a desktop email client to access your Stern email, utilize one of the following setup guides:

- **Outlook**: [https://sites.google.com/a/stern.nyu.edu/google/outlook-setup/outlook-google-sync-app](https://sites.google.com/a/stern.nyu.edu/google/outlook-setup/outlook-google-sync-app)
- **Thunderbird**: [https://sites.google.com/a/stern.nyu.edu/google/migration-guides/thunderbird-configuration](https://sites.google.com/a/stern.nyu.edu/google/migration-guides/thunderbird-configuration)
- **Mac Mail**: [https://sites.google.com/a/stern.nyu.edu/google/migration-guides/mac-mail-for-new-users](https://sites.google.com/a/stern.nyu.edu/google/migration-guides/mac-mail-for-new-users)

Setting up stern.nyu.edu forwarding:

If you wish to consolidate your email into one inbox, or cannot access your Stern email at work because of security restrictions, you can also setup your stern email address to forward to a personal or work account. Forwarding of the Stern email address is controlled through your Gmail@Stern settings.

1. Log into Gmail@Stern
2. Click the gear icon at the top right of the screen, then click “Mail Settings”
3. Click the Forwarding and POP/IMAP tab
4. Under the Forwarding option, enter an address to forward your Stern email to.

*Tip: By forwarding both your general NYU email to your stern email and your stern email to your personal email, you ensure that all your NYU-related emails wind up in one place.*
Question: “Why the heck do I have two school email accounts?”

Answer: Stern developed their own technology infrastructure to better meet the unique needs of business school students – as a result, Stern specific services (Simon, AIS) are managed separately from those of the university in general (home.nyu.edu). So you’ll need two logins.

Setting Up a Vanity Email Address

If you’re like me, you probably prefer being referred to by your name rather than your Net ID. Your primary email address contains your Net ID (me123@stern.nyu.edu), but you may set up a vanity address using your first and last name to better represent yourself as a business professional (kazim.ali@stern.nyu.edu). Stern explicitly forbids the use of nicknames and partial names – and they’ve developed the latest in automated anti-nickname technology (ex: kali@stern.nyu.edu will be rejected by the system).

1) Access http://simon.stern.nyu.edu
2) Click “Personal Address” at the top of the screen

Note: Your vanity email address and primary email address both will receive the same emails without additional configuration (the vanity email address is an alias for your primary account).

Wireless Access

All locations in KMC and Tisch have wireless internet access. Instructions to setup wireless access are below:

- http://community.stern.nyu.edu/it/networking.html

Printing At Stern

As a student at Stern, you have access to printers on campus. When printing from an Stern computer, your print job will be sent to the print system. The system will hold your print jobs until you release them at a Release Station. To release a print job, walk over to a printer which will typically have a LCD panel near it, swipe your NYU ID, and follow the prompt on the screen to print your document. By default you can print 1,500 pages per year.

Where can you find these printers?

**KMC Building:**
- K381 (Rotunda)
- K491 (Rotunda)
- K470 (Starbucks Lounge)

**Shimkin Building:**
- S2100 (Reading Room)
- S2110 (Meeting Room)
- 2101 (Bloomberg Room inside of S2100)
- 4130 (Meeting Room)
- S5154 (Right Outside of OCD office)
- S6130 (MBA Student Leader Suite)

Note: For the most up-to-date list of printer locations check the IT website at:
http://community.stern.nyu.edu/it/faqs/print.html#where
How do I print from my laptop?

To install Print@Stern on your laptop you will need to go to http://community.stern.nyu.edu/it/faqs/print.html#laptop and follow the instructions.

Increasing Your Printer Quota
If your printing needs exceed the 1500 page quota, you may add additional pages by accessing the pharos website at https://pharos.stern.nyu.edu/printatstern. Typically less than 5% of students per year will need to increase their quota, but you might if you decided to print out several copies of Professor Damodaran’s corporate finance class notes.

Laptops at Stern

Requirements
All students are required to have a laptop on campus. In practice, full-time students will need laptops (since there are not enough terminals to go around) but part-time students can often get away using their home or office computers.

In purchasing a laptop for school, Stern recommends the following laptop models and suggested specifications: http://community.stern.nyu.edu/it/services/mobile.html

Dell E6320 or Apple MacBook Pro 13’

Note: If you purchase a laptop at the NYU Computer Store you can make installment payments interest free and will get hardware support from the IT Help Desk.

Software Requirements
MS Office is required for both Mac and PC users and is available at a reduced price to students with valid NYU ID cards. To order, visit the NYU Computer Store website.

IT Help Desk
For any of your technical questions, stern provides a helpdesk service to help you get to where you need to go. You can either email them at helpdesk@stern.nyu.edu, call them at 212-998-0180, file an online ticket request at http://community.stern.nyu.edu/it/helpdesk.html or visit them in person in the basement of KMC UC-120.
Where Can I Study?

You've got a big case study coming up, and you need a place to take your group to study, or you need a quiet place to cram for that Finance Midterm.

Let's take a quick look at where you can go.

All locations in KMC and Tisch have wireless internet access. Details on:
http://community.stern.nyu.edu/it/networking.html

Here's a quick legend for some of the access and study rules:

Means this place requires a card to access, you swipe to get in.

This location is reserved for MBA's only. Undergrads can be kicked out.

Shhh! This is a quiet study space.

This uses the online reservation system at Campusgroups.
Located at: https://nyustern.campusgroups.com/rooms.aspx

Meeting rooms can be reserved for up to 4 consecutive hours at a time, and one room for any given student, and usually require at least three students to use the space. If you're 15 minutes late, your reservation can be forfeited (doesn't apply to administrative reservations). Individual spots at the reading rooms can be reserved for 3 hours per calendar day, and again, one spot per student!
KMC UC/1st Floor

KMC Lobby When not occupied by student groups, located in the back right as you enter the main lobby, an area with four stools, power outlets, new glass-top tables and a view of the lobby.

KMC Lobby 2 Behind the security guards, four couch seats and a small table. A printer is around the corner.

Sosnoff Lounge Located under the Grand Staircase, most people will recognize this space with its couches, chairs, and tables as the place you get a snack or dinner. People also study here.

KMC UC-100 The Beer Blast room is converted to an MBA study lounge with chairs and tables during the rest of the week when it’s not in use as a classroom. This is located in the Upper Concourse, one floor down.

KMC 1-73A/B/E, 1-75A/B/C Located in the corridor between Tisch and KMC, you have six small meeting rooms inside here. There’s also external computer terminals, a printer, and a copier here in the main room. Requires: 3 students/room.

KMC 2nd Floor

KMC 2-100: 46 Quiet, individual study cubicles inside here. Reserve ahead of time - individual spots. There’s a sub-room inside KMC 2-101 that contains Bloomberg computers & another printer. Large communal tables in the room, too.

KMC 2-110: 18 Meeting rooms inside here. There’s also a printer. Reserve ahead of time to get your spots here. Requires: 3 students/room.

KMC 3rd Floor

3rd Floor Rotunda: 2 print stations, 10 computers, and spaces for group tables and individual tables against the windows. It can get noisy, especially when classes have breaks.
KMC 4th Floor

**KMC 4-130:** 6 Meeting rooms inside here. There's also a printer, a couple of lounge seats, stapler, and long table to sit at. Reserve ahead of time to get your spots here. Requires: 3 students/room.

**4th Floor Rotunda:** 2 print stations, 4 computers in the hall, located above the 3rd Floor Rotunda (so some noise from below), and spaces for group tables and individual tables against the windows. Can be noisy.

**KMC 4-70:** Starbucks Lounge: Named due to the similar feel and colors, this is an open study room with a printer, seats and laptop tables.

KMC 5th Floor

**Outside KMC 5-100, Computer Stations:** A print station, 8 computers, 2 printers, tucked away in the far back corner outside the OCD office.

**WARNING:** As much as we are surrounded by Sternies, please remember to always keep an eye on your things. Theft does happen, and you are responsible for your own belongings. Don't leave your phone or valuables unattended.

**Stern Classrooms:** Classrooms may be used if open, but note that professors and administrators can kick groups out for academic purposes or school uses. Student activities have second priority. If you have a reservation and the room is locked, contact the front desk to open the room. To reserve classrooms for activities or classes, review: [http://www.stern.nyu.edu/portal-partners/student-activities/services-forms/request-space-event-services/index.htm](http://www.stern.nyu.edu/portal-partners/student-activities/services-forms/request-space-event-services/index.htm)

**Outdoor Spaces:**

**Gould Plaza:** The large open plaza space that is above Paulson Auditorium, with seating. Around the corner is a secured bike rack, too, accessible via a swipe card.

**4th Floor Outdoor Patios:** Located on the fourth floor, there are two patios, one facing Gould Plaza and a second along the back of Stern facing West 3rd St. These are open seasonally, and usually only during the day.

**Other Outdoor Patios in Stern:** There are a number of other outdoor platforms in Stern, but most of them are not accessible to the student body.
**Other Options:**

There are other options for study space if it seems like the building is filled up. Keep in mind, these are open often to the rest of NYU or the public.

**Tisch:** The undergraduate building of NYU Stern has numerous lobby spaces, classrooms, study areas, and laptop stations, but undergraduates usually have priority here. Accessible from KMC via the 1st floor corridor or the Upper and Lower Concourse levels.

**KMC-Bobst Corridor:** Located outside between KMC and Bobst, there are multiple metal chairs and tables here to sit. Not well-lit at night, though.

**Bobst Library** (70 Washington Sq. South): The massive brick building beside KMC, you can find study rooms in the lower level, and throughout the stacks on levels 4 through 10. The mezzanine is a good place to wait out bad weather, and you can rent laptops (strict about tardy returns) here, too.

**Kimmel Center** (60 Washington Sq. South): The student center beside Bobst has a Commuter Lounge on the 2nd floor, and lounges on either side of the main stairway entering the building. Floors 2, 7, 8, and 9 all contain more study areas.

**Washington Square Park:** Located just north and west of NYU Stern, and in front of Bobst and Kimmel, you'll find a large park. Recently undergoing renovation, there are spaces to sit and study on stone or metal benches, some tables, and grass. Plus a fountain and a dog run, too.

*For wireless access on the NYURoam network (outside of Stern/KMC/Shimkin/Tisch), you can look at this page:*  [http://www.nyu.edu/its/wireless/](http://www.nyu.edu/its/wireless/)
Got Food?

Trapped in KMC and need a quick bite?

SOSNOFF LOUNGE / GRAD CAFE is an easy option located on the 1st Floor of KMC. Sosnoff offers drinks, coffee, snacks, and pre-made salads and sandwiches.

Sounds good, but how do I get there?

From 4th Street Entrance:
Walk past elevators, go down small flight of stairs and turn right.

From Schwartz Plaza Entrance:
Pass information desk and turn left.

Hours:
Monday – Thursday: 8 am to 8 pm
Friday: 8 am to 7 pm
Saturday: 8 am to 3:30 pm

Got a late night group project or an early morning study session and need a quick jolt of caffeine or a sugar high?

KMC has vending machines with drinks, snacks and candy located on floors 2, 3 and 6 between the two sets of elevators on the north side of the building.
**Neighborhood Eats**

*Whether you want to grab something on your way to class or plan a nice dinner out with friends, we’ve scoped out many of the offerings within walking distance of NYU and noted cost ranges ($ to $$$); where available, websites have been listed so you can check out menus, hours, etc.*

Dude, Where Can I Park My Car? (Part II)

Wanna try parking on the street? Here are some tips!

Free Parking.
Remember, sides of the street do matter!

Typically there's a lot of free parking **after 6 pm on weekdays** and **all day Saturday and Sunday** along:

- West 4th St.
- West 3rd St.
- Washington Place
- Waverly Place
- Greene St.
- Mercer St.
- University Place

Meters.
Note: there are both one-hour and two-hour meters.

One-hour Meters.

- On the **south side of Washington Place**.
- Also if you go out further towards **6th Ave.**
- And on **8th Street**.

Two-hour Meters.

- On **La Guardia Place** until 7 pm.

**Remember** not to block hydrants, and always check for posted temporary no parking signs. They put those up for construction, buses, and more on a regular basis.

**On Sundays**, there are **no meter rules** applied, although watch out, they tend to stick up signs for no parking all over on weekends for various street fairs or other construction work.

There's no parking at any time at the following locations:

- **In the front of Bobst Library**
- **North side of Washington Square South, any side of Washington Square East or West**

**Note:** Refer to Neighborhood Map on next page.
