NYU LEONARD N. STERN SCHOOL OF BUSINESS

Graduate Cross Registration Request Form

POLICIES: Non-Stern students may have their advisors submit cross-registration requests to crossregistrn-list@stern.nyu.edu. Options for satisfying requisites are outlined on the Stern Academic Affairs & Advising website. Professional experience DOES NOT satisfy any requisite. Non-Stern students may sit for a Stern-proctored proficiency exam (reservations should be scheduled by the advisor). **Non-Stern students may register up to 6 Stern credits per term.** Please note that Stern professors do not manage course enrollment, requisites, or the registration process; thus, they cannot override or waive any policies. Responses to cross-registration requests will be provided to advisors; students should contact their advisors for results and questions. By registering Stern coursework, non-Stern students agree to adhere to the NYU Stern Code of Conduct and registration policies in addition to other NYU policies
